CE

TECHNICAL SPECIFICATIONS

Product type	1 Gang Zigbee Switch Module
Voltage	AC100-240V 50/60Hz
Max load	LED 800W  16A
Operation frequency	2.405GHz-2.480GHz IEEE802.15.4
Operation temp .	-10℃ + 40℃
Protocol	Zigbee 3.0
Operation range	<100m
Dims (WxDxH)	39x39x20 mm
IP rating	IP20
Warranty	2years
Certificates	CE ROHS

Global international operation Whenever & Wherever You are, **All-in-one Mobile App**

Inhouse local operation

INSTALLATION

 Warnings:

1. Installation must be carried out by a qualified electrician in accordance with local regulations.

2. Keep the device out of reach of children.

3. Keep the device away from water , damp or hot environment.

1.Turn off the power supply before carrying out any electrical installation work.

2.Connect wires according to the wiring diagram.

3.Insert the module into the junction box.

4. Turn on the power supply and follow switch module configuration instructions.

FAQ

Q1: What should I do if I can't configure the switch module?

a. Please check whether device is powered on.

b. Make sure the ZigBee Gateway is available.

c. Whether it's in good internet conditions.

d. Make sure the password entered in App is correct.

e. Make sure the wiring is correct.

Q2: What device can be connected to this Zigbee switch module?

Q3: What happens if the WIFI goes off?

Most of your household electrical appliances, such as lamps, laundry machine, coffee maker, etc. You can still control the device connected to the switch module with your traditional switch and once WIFI is active again the device connected to module will connect automatically to your WIFI network.

Q4: What should I do if I change the WIFI network or change the password?

You have to re-connect our Zigbee switch module to the new Wi-Fi network accordingly as per the App User

Q5: How do I reset the device?

1. Power on/off device for 5 times until the indicator light flashes.

2. Switch on/off the traditional switch for 5 times until the indicator light flash.

3. Press the reset key for about 10 seconds until the indicator light flash.
