

Matter Thread Integrated Power Supply

- ▶ Matter over thread integrated power supply, Matter certified device.
- ▶ AC 180-240V input, 24V DC output, 1/2/5 channel output, 6.3A/10A Max, Control single color/dual color/RGBCW LED light..
- ▶ Support multi-end management, Apple Home, Amazon Alexa, Google Home, Samsung Smart thing platform interconnection.
- ▶ App remote control, support on/off light, color temperature, color changing and brightness adjustment, scene setting, delay turn on/off light, timer run etc.
- ▶ Voice control, support siri, Amazon, Alexa, Google Assistant.
